

## **TERMS AND CONDITIONS**

Please read these terms and conditions carefully before using an eNBP product, which is operated by Family Transitions – Programs that Work (PTW), LLC.

### **Conditions of use**

By purchasing an eNBP product, you certify that you have read and reviewed this agreement and that you agree to comply with its terms. Family Transitions only grants use and access of this program and related products to those who have accepted its terms. The content on the website is the intellectual property of Family Transitions - PTW, LLC. You may not reuse, republish, or reprint any content without our written consent. All information posted is merely for educational and informational purposes and is not intended as a substitute for professional advice. Should you decide to act upon any information in this program, you do so voluntarily and take full responsibility for achieving the outcomes. The information in the program has been verified to the best of our ability. However, we cannot guarantee that there are no mistakes. We reserve the right to change this policy at any time. If you want to make sure that you are up to date with the latest changes, we advise you to frequently visit this page.

### **User accounts**

As a user of this program, you will be asked to register with us and provide your personal information. You are responsible for ensuring the accuracy of this information and maintaining the safety and security of your identifying information. You are also responsible for all activities that occur under your account or password. If you think there are issues about the security of your account on this website, inform us immediately so we may address them.

This site has security measures in place to protect against the loss, misuse and alteration of information that is under our control. A password must be entered to log in to the program. All personal information is fully encrypted during all transactions. Please note, however, that no data transmission over the internet is completely secure. We attempt to protect your personal information but cannot guarantee the security of information you provide us and so you transmit such information to us at your own risk.
